THANKS FOR YOUR INTEREST!

That is until the tragic incident cut the life of his Melissa.

Nathan does not believe in God but trusts the power of a human being. The regeneration of the dead mouse he did leads him to an insane decision - to use the electromagnetic waves to return Melissa to life.

The experiment went well and Melissa resurrected, but she is not the same person as she was before.

Shocked by her change, Nathan comes face to face with a monster that not only steals babies to satisfy her hellish needs but encroaches on Nathan's own life.

Fearing the further consequences of the alive beast, Nathan makes a hard choice - to destroy the one, who was in past his darling wife.
